### About the EAC Network & Suffolk County Children's Center at Cohalan Court

The **EAC Network** is a not-for-profit human service agency with 70+ programs throughout Long Island and the New York Metro area. One of those programs is The **Children's Center at Cohalan Court** we've chosen to work with this center because they offer a safe, secure, and nurturing environment for children ages 6 weeks to 12 years. Parents or guardians attending court business may not have access to quality childcare, and the courtroom is not an appropriate place for young children to wait.

Furthermore, the Children's Center provides additional supportive services to benefit hundreds of families. One of those services is distributing appropriate winter attire to children in need.
